## **OPEN**

**Leader:** Open the session with prayer. If your group is brand new or if you don't know each other well, spend time getting to know each other before starting the study.

## **VIEW**

Be sure to pay attention to the main theme of the session. Highlight verses and points from the video that you would like to have further discussion on.

## **PLAY VIDEO**

## **REVIEW**

Use the question guide to begin conversations about the lesson.

## **BIBLE EXPLORATION**

At each meeting, have Scripture references prepared. This helps to always bring truth to what is being taught and understanding to questions as well.

## **LAST WORD**

End each meeting with an opportunity to ask final questions that haven't already been answered. Pray to close.
